

Our pricing is very competitive but we want to be more than just a place you get "cheap" cartridges. We are old school and believe in giving our clients excellent customer service, particularly after you have bought your consumables. We therefore politely ask that you phone 07931353640 or email enquiries@harlequinprintersupplies.com to place your order. If possible we will personally deliver your cartridges to you, and set you up with a 30 day credit account. No entering card details and trying to remember passwords here.
